Every classroom has one - the over-achieving parent who makes everyone else look bad. There's the mother who has every event organized before you can get your foot in the door, and the father who outbids you at fundraising auctions. But relax! Becoming the teacher's pet needn't be expensive or time-consuming.

However, the role of parents and guardians in their children's education is vital. Research has proven beyond dispute that effectively engaging parents and families in the education of their children has a positive influence on the success of the learners. Currently the level of parent and community participation in schools is low.
