Guided reading helps students develop greater control over the reading process through the development of reading strategies which assist decoding and construct meaning. The teacher guides or 'scaffolds' their students as they read, talk and think their way through a text (Department of Education, 1997).

Guided reading - Department of Education and Training

Guided reading is an instructional approach that involves a teacher working with a small group of students who demonstrate similar reading behaviors and can read similar levels of texts. The text is easy enough for students to read with your skillful support; it offers challenges and opportunities for problem solving, but is easy enough for students to read with some fluency.
