It's a mall world, after all. A mall isn't just a mall. It's also a lifestyle destination with a waterpark, a football field, an open-air amphitheater, a botanical garden, and many other things. As early as 2015, The New York Times sounded the death knell for malls and the rise of online retail in the US saying that while "premature obituaries for the shopping mall have been appearing since the late 1990s, but the reality today is more nuanced, reflecting broader trends remaking the ...
