### **How to find my engine model number? | Briggs & Stratton**

The fact that the numbers can't be correlated for certain, would seem to mean that ANY car could have a replaced engine from a similar car of the same year, and therefore, how would anyone know for sure? I would definitely tell a buyer, down the road, that it's not the original engine - so that's not a issue to me (i.e. hiding the fact).
