Manuals, QRG's & FAQ's - Panoramic Photography Forum

Is manual sensor cleaning that common? If it is needed, it's a very delicate process that should be left to a professional shop. Since being on this forum, I've seen a lot more threads about this that I would've expected, and the discussions on it seem relatively benign on doing it yourself.

Is manual sensor cleaning that common? - PentaxForums.com

What I see on that photo is reminiscent of the plethora of dust spots that appeared in my last year's vacation photos. They were very efficiently removed with the moist swab procedure which I performed myself. Look in your camera manual for the sensor cleaning procedure.
