LibGen is a unique concept in the category of eBooks, as this Russia based website is actually a search engine that helps you download books and articles related to science. It allows you to download paywalled content for free including PDF downloads for the stuff on Elsevier's Science Direct website. Even though the site continues to face legal issues due to the pirated access provided to books and articles, the site is still functional through various domains.

Kirk argues that the test itself is a cheat, since the program is unwinnable, and thus cheating is the only solution. Spock counters that the point of the test is not to win, but to face fear and accept the possibility of death, like Kirk's father did.

Kobayashi Maru - Wikipedia

The greatest threat to your company is the postponement of smart decisions – the kind that cost you nothing and help you win everything. When millions are at stake your biggest risk is doing nothing.

About Us - vwell - V-Well Solutions

The solution will cost you everything but there is a vastly greater reward If the failure to esteem every person as a fellow being created in the image and likeness of God could be solved by taking a knee for nine minutes, or posting a meme on social media, or publicizing a statement of condemnation against racism, wouldn't that be grand?

Racism: The solution will cost you everything--but the ...

Essentially a professionally published high school paper, the MicroFranchising Solution is a sophomoric foray into the world of social business. Kirk Magleby's text is poorly written, has an incoherent structure and rarely discusses the topic of the book: MicroFranchising.
