The healing power of hip hop - The Conversation

The Healing Power of Hip Hop Hip Hop is often associated with Violence and Aggression. While that may definitely be true for some of Hip Hop's most popular songs, I don't think Hip Hop itself is violent or aggressive. It's rather a reflection of the reality that is already there and is put into an art form to address it.

The Healing Power of Hip Hop - thehealerhiphop.com

The Healing Power of Hip-Hop. The music of hip-hop has been helping people for two to three decades, and at least a decade for myself. The lyrics and context make it easier for those going through a personal struggle to connect to it and talk about it. Fans are drawn to the music because it can assist in developing an identity, belonging, and purpose.
