Plato's The Apology is an account of the speech Socrates makes at the trial in which he is charged with not recognizing the gods recognized by the state, inventing new deities, and corrupting the youth of Athens. Socrates' speech, however, is by no means an "apology" in our modern understanding of the word. The name of the dialogue derives from the Greek "apologia," which translates as a ...

**The Apology: Summary | SparkNotes**  
The Socrates of Aristophanes is a somewhat silly sophist (in fact, Socrates later referred to this play as his first trial in Athens). The Socrates of Xenophon, on the other hand, is practical and conservative. By including all three authors, Reeve has done a great service for those interested in Socrates.

The trial of Socrates (399 BC) was held to determine the philosopher's guilt of two charges: asebeia against the pantheon of Athens, and corruption of the youth of the city-state; the accusers cited two impious acts by Socrates: "failing to acknowledge the gods that the city acknowledges" and "introducing new deities".. The death sentence of Socrates was the legal consequence of asking ...
